

CHANGING LIVES WITH BISDHA FOUNDATION

Eid Mela for Women Entrepreneurship Trainees

On **7th, 8th, and 9th March 2026**, **BISDHA Foundation** successfully organized a vibrant **Eid Mela**, creating a platform for **women entrepreneurs** to showcase and sell their products. The event brought together talented women, engaged visitors, and a supportive community—helping entrepreneurs gain real market exposure, build confidence, and grow their businesses.

Success Story : Somaisy Haque

Somaisy Haque, a Dhaka-based entrepreneur, shifted from a 10-year career in the development sector to launching her own clothing brand, **Somaisy Bloom**, in 2024.

With support from Bharasa Care's **Entrepreneurship & Digital Marketing Training** (funded by Pubali Bank), she strengthened her skills and built a sustainable income—reflecting the power of skill development in driving women's economic empowerment.

At BISDHA Foundation, we continue to empower communities through skill development, partnerships, and inclusive opportunities. Here's a quick look at our recent activities and upcoming initiatives.

COLLABORATION ANNOUNCEMENT

We are proud to collaborate with **Kichir Michir Day Care Center** and **Utsho Bangladesh** to enhance practical learning opportunities.

Through this partnership, trainees will gain valuable hands-on experience in real childcare environments, allowing them to apply their skills, build confidence, and better understand professional caregiving standards. Ultimately, this collaboration will contribute to improve the quality of childcare.
